The RX didn't just set the standard for the category; it created it. And now, it offers a bold new vision of design, technology and performance. Completely reimagined from the ground up, the 2023 RX captivates with its sleeker profile, more powerful stance, and inviting, driver-focused cabin. Inside, the highly intuitive Lexus Interface¹ features an available 14-inch touchscreen display that is so

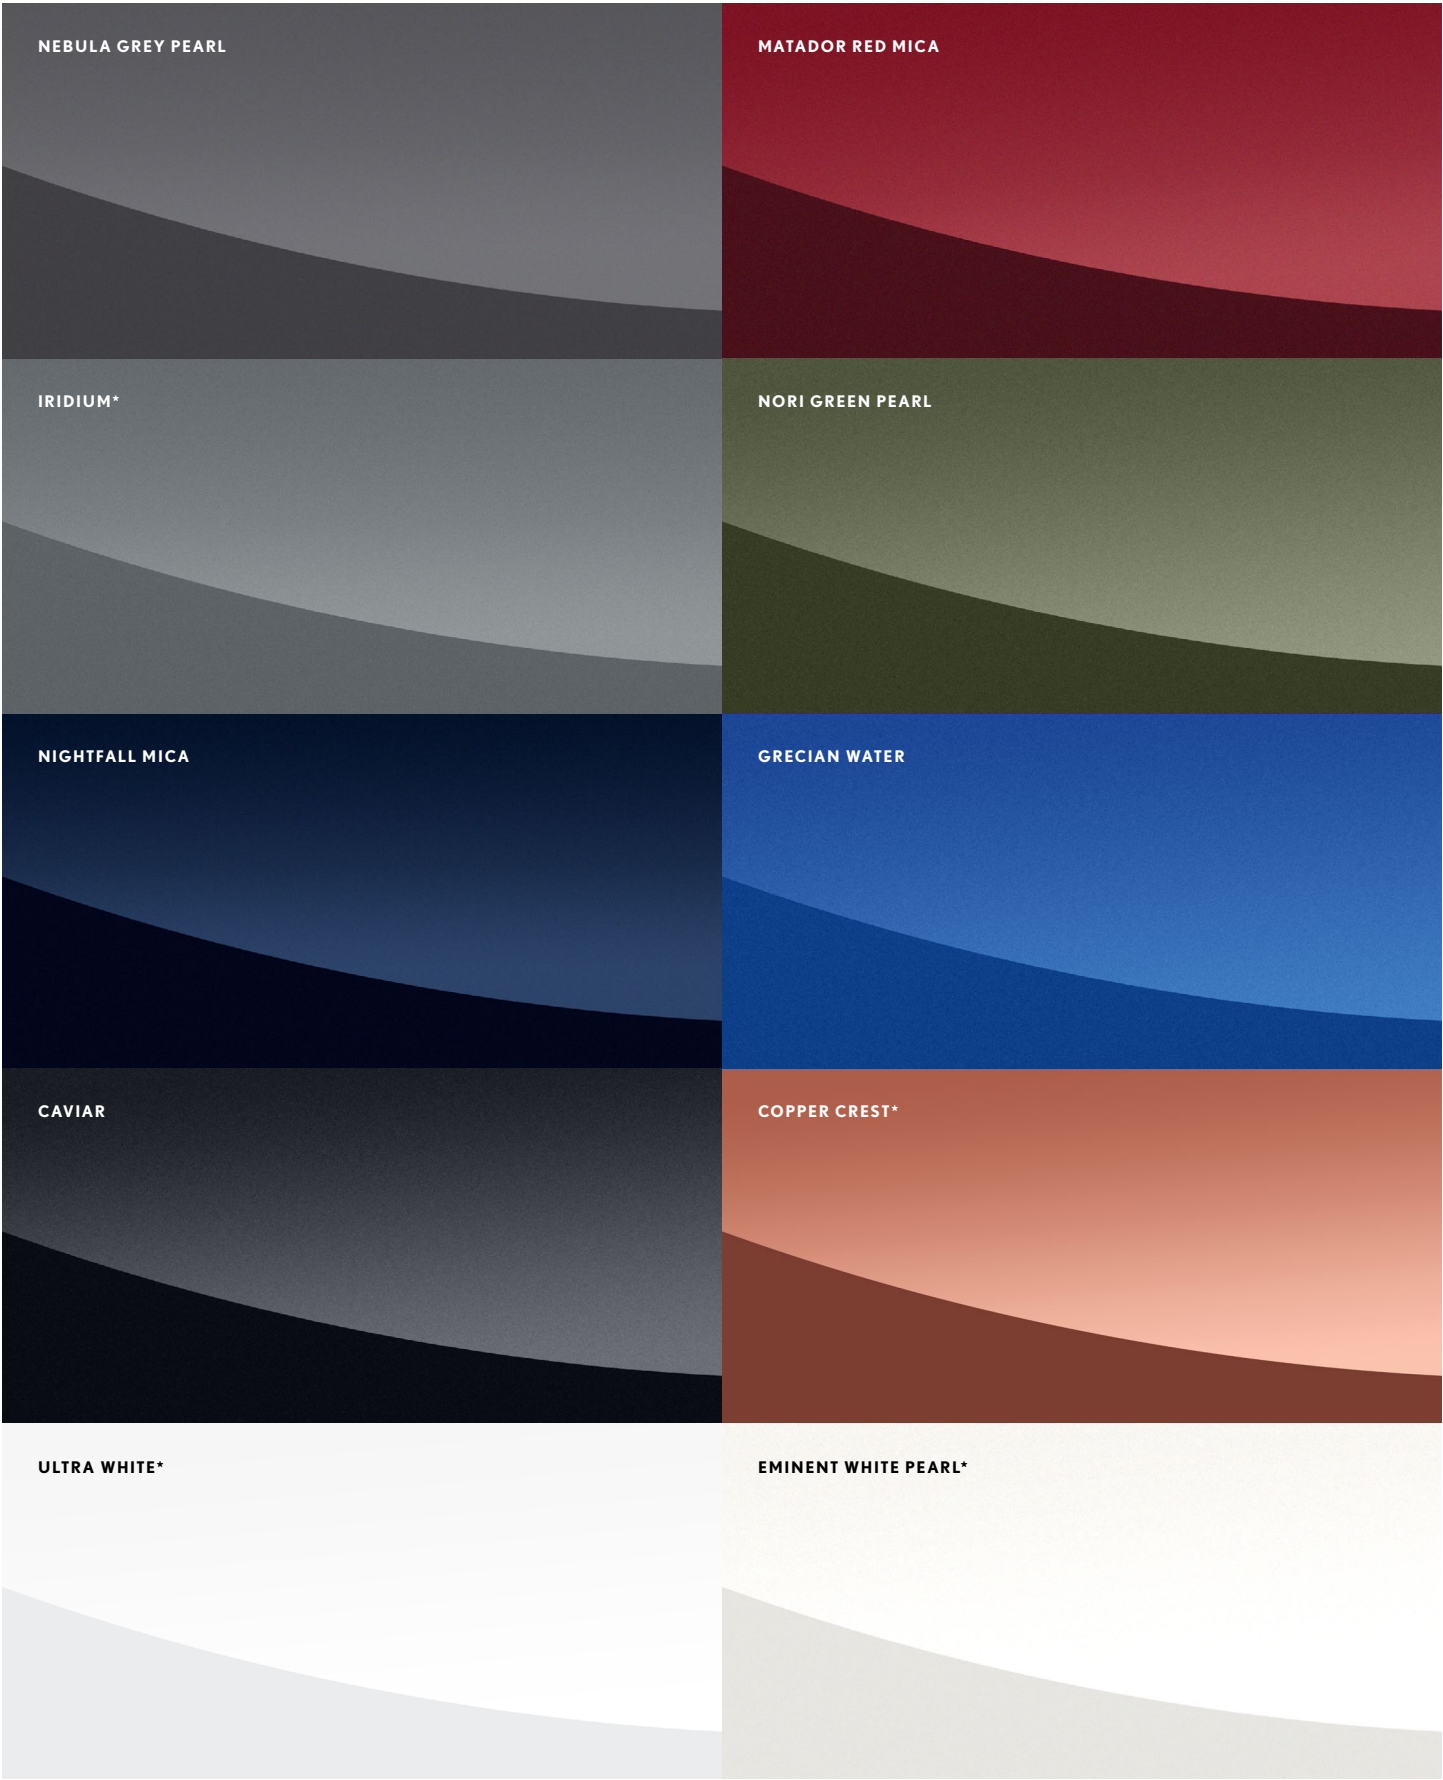

intelligent, it becomes an extension of you. An all-new platform delivers refined comfort and nimble handling. And pushing exhilaration to even greater heights, the first-ever RX *F SPORT* Performance introduces an advanced hybrid powertrain – and is the fastest RX ever.² This is the next generation of luxury, as you've never experienced before. This is the all-new RX.

FEATURES

PREMIUM

Standard Features Include:

Intuitive Design

- Multi-link rear suspension
- Towing Package
- NuLuxe interior trim
- 8-way power-adjustable driver’s and front passenger’s seats
- Lexus Memory System for driver’s seat, steering wheel and outer mirrors
- Intuitive Parking Assist and Rear Cross-Traffic Alert with Auto Braking¹⁶
- 19-in five-spoke alloy wheels
- Power tilt-and-slide moonroof
- Aluminum roof rails
- LED foglamps
- Interior ambient illumination
- Multi-zone climate control
- Heated and ventilated front seats
- Heated wood- and leather-trimmed steering wheel
- Paddle shifters
- Power tilt-and-telescopic steering column
- Back guide monitor with cleaner

Advanced Technology

- Lexus Interface with 9.8-in touchscreen display¹
- 7.0-in multi-information display
- Lexus 12-speaker Premium Sound System
- Wireless Apple CarPlay^{®5} compatibility
- Wireless Android Auto^{™6} compatibility
- Digital Latch with Safe Exit Assist⁸

Lexus Safety System+ 3.0

LUXURY

Includes Premium features, and adds or replaces:

Intuitive Design

- Leather-trimmed interior
- Thematic Ambient Illumination
- 21-in 20-spoke alloy wheels with Dark Grey and machined finish
- Panorama glass roof
- Heated and ventilated rear seats

Advanced Technology

- 14-in touchscreen display + Navigation (requires an active Drive Connect trial or paid subscription)
- Wireless charger

ULTRA LUXURY

Includes Luxury features, and adds or replaces:

Intuitive Design

- Premium Triple-Beam LED headlamps

Advanced Technology

- Traffic Jam Assist²⁶ (requires an active Drive Connect trial or paid subscription)
- Head-Up Display
- Panoramic View Monitor
- Digital Rearview Mirror
- Lexus Digital Key
- Power Rear Door with Kick Sensor²²

EXECUTIVE

Includes Ultra Luxury features, and adds or replaces:

Intuitive Design

- Driver’s and front passenger’s 10-way power seats
- Semi-aniline leather interior trim
- Suede interior door trim
- Luxury seat design
- 4-way lumbar support for driver and passenger
- 21-in 20-spoke alloy wheels with Dark Metallic finish
- Power folding rear seats
- Rear Sunshade

Advanced Technology

- Mark Levinson 21-speaker PurePlay Surround Sound²³
- Advanced Park²¹
- 120V AC inverter (Hybrid only)

F SPORT HANDLING 1

Includes Premium features, and adds or replaces:

Intuitive Design

- 21-in 10-spoke alloy wheels with Gloss Black finish
- Opposed 6-piston aluminum front brake calipers
- Adaptive Variable Suspension
- Sport aluminum pedals
- Dark Graphite Aluminum interior trim
- F SPORT Performance-inspired instrumentation
- F SPORT interior featuring front seats with enhanced bolsters
- Perforated leather-trimmed steering wheel and shift knob
- F SPORT grille & bumpers
- 7” F SPORT Digital Cluster
- Thematic Ambient Illumination
- Door scuff plate with white F SPORT logo

Advanced Technology

- Head-Up Display

F SPORT HANDLING 2

Includes F SPORT HANDLING 1 features, and adds or replaces:

Intuitive Design

- Panorama glass roof
- Leather-trimmed interior
- Heated and ventilated rear seats
- Power folding rear seats

Advanced Technology

- 14-in touchscreen display + Navigation (requires an active Drive Connect trial or paid subscription)
- Wireless charger

F SPORT HANDLING 3

Includes F SPORT HANDLING 2 features, and adds or replaces:

Intuitive Design

- Premium Triple-Beam LED headlamps
- Mark Levinson 21-speaker PurePlay Surround Sound²³

Advanced Technology

- Digital Rearview Mirror
- Lexus Digital Key
- Power Rear Door with Kick Sensor
- Panoramic View Monitor
- Advanced Park²¹
- Traffic Jam Assist²⁶ (requires an active Drive Connect trial or paid subscription)

Lexus Safety System+ 3.0

F SPORT PERFORMANCE 2

Includes F SPORT HANDLING 2 features, and adds or replaces:

Intuitive Design

- Torque Vectoring
- Vehicle Dynamics Integrated Management with Dynamic Rear Steering
- Active Sound Control
- 21-in 10-spoke alloy wheels with Matte Black finish
- Black brake calipers
- Colour-keyed rocker panels and rear valance
- Door scuff plate with black F SPORT logo

Advanced Technology

- Lexus Digital Key
- Power Rear Door with Kick Sensor
- Digital Rearview Mirror

F SPORT PERFORMANCE 3

Includes F SPORT PERFORMANCE 2 features, and adds or replaces:

Intuitive Design

- Premium Triple-Beam LED headlamps

Advanced Technology

- 120V AC inverter (Hybrid only)
- Advanced Park²¹
- Panoramic View Monitor
- Traffic Jam Assist²⁶ (requires an active Drive Connect trial or paid subscription)

Lexus Safety System+ 3.0

1. Lexus Interface services depend on factors outside of Lexus' control, including an operative telematics device, a cellular connection, GPS signal and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded, including access to response centre and emergency support. Lexus is not responsible for cellular network discontinuance. Service may vary by vehicle and region. Apps and services subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply, please visit lexus.ca/connectedservices-termsofuse. Data usage and charges may apply. See usage precautions and service limitations in Owner's Manual and lexus.ca for additional limitations and details. To learn about Lexus' connected services data collection, use, sharing and retention practices, please visit lexus.ca/connectedservices-termsofuse. All trials begin on the original date of purchase or lease of a new vehicle. Paid subscription required after trial in order to continue accessing the respective services. Terms of Use apply, please visit lexus.ca/connectedservices-termsofuse. **2.** Performance figures are for comparison only and were obtained with prototype vehicles by professional drivers. **3.** Ratings achieved using the required premium unleaded gasoline with an octane rating of 91 or higher. If premium fuel is not used, performance will decrease. **4.** NuLuxe is a registered trademark of Toyota Motor Sales, U.S.A., Inc. **5.** Apps and services are subject to change at any time without notice. Data charges may apply. Apple CarPlay® functionality requires a compatible iPhone® connected wirelessly to the vehicle. Apple CarPlay and iPhone are registered trademarks of Apple Inc. **6.** To wirelessly use Android Auto on your car display, you need a compatible Android smartphone with an active data plan. Vehicle user interface is a product of Google and its terms and privacy statement apply. Apps and services vary by phone carrier and are subject to change at any time without notice. Android Auto is a trademark of Google LLC. **7.** Lexus Safety System+ 3.0 effectiveness is dependent on many factors including road, weather and vehicle conditions. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. See Owner's Manual for additional limitations and details. **8.** Do not rely exclusively on Safe Exit Assist. Always look for approaching traffic before exiting the vehicle. There are limitations to the function, detection and range of the Safe Exit Assist system. See Owner's Manual for additional limitations and details. **9.** Safety Connect depends on factors outside of Lexus' control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded, including access to response centre and emergency support. Lexus is not responsible for cellular network discontinuance. Stolen vehicle police report required to use Stolen Vehicle Locator. Automatic Collision Notification activates only in limited circumstances. Requires app download/registration and subscription after trial (if applicable). Service subject to change at any time without notice. Terms of Use apply, please visit lexus.ca/connectedservices-termsofuse. Service may vary by vehicle and region. See usage precautions and service limitations in Owner's Manual and lexus.ca for additional details. To learn about Lexus' connected services data collection, use, sharing and retention practices, please visit lexus.ca/connectedservices-termsofuse. The Safety Connect trial period (if applicable) is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Subscription required after trial to access the service. **10.** Information provided is based on the last time data was collected from the vehicle and is not real-time data. Service Connect depends on factors outside of Lexus' control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Lexus is not responsible for cellular network discontinuance. Service may vary by vehicle and region. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply, please visit lexus.ca/connectedservices-termsofuse. Data charges may apply. See usage precautions and service limitations in Owner's Manual and lexus.ca for additional details. To learn about Lexus' connected services data collection, use, sharing and retention practices, please visit lexus.ca/connectedservices-termsofuse. The Service Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Service Connect is not renewable as a stand-alone service, and requires a subscription to any of Safety Connect, Remote Connect or Drive Connect upon trial expiration. **11.** Use only if aware of circumstances surrounding vehicle and it is legal and safe to do so (e.g., do not remotely start engine if vehicle is in an enclosed space or vehicle is occupied by a child). Remote Connect depends on factors outside of Lexus' control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Lexus is not responsible for cellular network discontinuance. Digital Key also requires Bluetooth connectivity. Service may vary by vehicle and region. Requires app download and registration/subscription after trial (if applicable). Terms of Use apply, please visit lexus.ca/connectedservices-termsofuse. Data charges may apply. Services subject to change at any time without notice. See usage precautions and service limitations in Owner's Manual and lexus.ca. To learn about Lexus' connected services data collection, use, sharing and retention practices, please visit lexus.ca/connectedservices-termsofuse. The Remote Connect trial period (if applicable) is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Subscription required after trial to access the service. Terms of Use apply, please visit lexus.ca/connectedservices-termsofuse. **12.** Apple and Apple Music are trademarks of Apple Inc., registered in the U.S. and other countries. **13.** Amazon Music and all related marks are trademarks of Amazon Technologies, Inc. or its affiliates. **14.** Drive Connect availability and accuracy depend on factors outside of Lexus' control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Lexus is not responsible for cellular network discontinuance. Services not available in every city or roadway. Services subject to change at any time without notice. Requires app download/registration and subscription required after trial (if applicable). Terms of Use apply, please visit lexus.ca/connectedservices-termsofuse. See Owner's Manual and lexus.ca for additional limitations and details. To learn about Lexus' connected services data collection, use, sharing and retention practices, please visit lexus.ca/connectedservices-termsofuse. The Drive Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial (if applicable) to access the service. Terms of Use apply. **15.** Lexus provides complimentary maintenance for your first two scheduled visits at the earlier of 3 months/1,600 km and 6 months/8,000 km. To schedule these services, contact your Lexus dealership. Please refer to your vehicle's Warranty and Services Guide for service details. These services apply to Lexus vehicles registered and normally operated in the continental United States, U.S. territories and Canada. **16.** Intuitive Parking Assist with Auto Brake is designed to assist drivers in avoiding potential collisions at speeds of 14 km/h or less. Certain vehicle and environmental factors, including an object's speed, shape, and size may affect the system's effectiveness. Always look around outside the vehicle and use mirrors to confirm clearance. See Owner's Manual for additional limitations and details. **17.** Rear Cross-Traffic Braking is intended to assist a driver, but it is the driver's responsibility to be aware of the vehicle's surroundings. The system cannot prevent all collisions, and performance is dependent on road, weather and vehicle conditions. See Owner's Manual for additional limitations and details. **18.** Qi wireless charging may not be compatible with all mobile phones, MP3/WMA players and like models. When using the wireless charging system, avoid placing metal objects between the wireless charger and the mobile device when charging is active. Doing so may cause metal objects to become hot and could cause burns. **19.** Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. Functionality, availability and accuracy of information provided by the system depend on many factors, and service may not be available in every location. Use common sense when relying on information provided. Services and programming subject to change. Updates may be available from your dealer at an additional cost. See Owner's Manual for additional limitations and details. **20.** The Panoramic View Monitor does not provide a comprehensive view of the area surrounding the vehicle. You should also look around outside your vehicle and use your mirrors to confirm surrounding clearance. Environmental conditions may limit effectiveness and view may become obscured. See Owner's Manual for additional limitations and details. **21.** Do not overly rely on Advanced Park and use only in accordance with applicable laws. When parking using the hands-free feature, always pay attention to the vehicle's surroundings. Before operating, refer to Owner's Manual for additional instructions and limitations. **22.** Installation of a tow hitch receiver or other accessories located near the rear bumper or side-door kick sensors may require disabling or removing the kick sensor, and the sensor operation setting in your vehicle should be turned off. Water, weather, dirt, and other conditions also may cause the sensor to not operate properly or to operate unintentionally. See Owner's Manual for limitations. **23.** Mark Levinson is a registered trademark of Harman International Industries, Inc. **24.** Vehicle Dynamics Integrated Management (VDIM) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether VDIM will be effective in preventing a loss of control. See Owner's Manual for additional limitations and details. **25.** Tire life may be substantially less than mileage expectancy, depending on driving conditions. **26.** Traffic Jam Assist is not an automated driving system. The system requires driver supervision at all times and is designed to function on most highways/freeways at speeds of 40 km/h or less. Use this system in accordance with applicable laws. Before operating, refer to Owner's Manual for additional instructions and limitations. Vehicles shown may be prototypes and/or shown with options. Actual models may vary. Specifications, features, equipment, technical data, performance figures, options, and colour and trim are based upon information available at time of publishing, are subject to change without notice, and are for Canadian vehicles only. Colour(s) depicted may vary based on multiple factors, including ambient lighting and the format in which it is being viewed (e.g., computer, mobile device, or print). ©2022 Lexus, a Division of Toyota Canada Inc.
